

AeroChamber Plus *Flow-Vu**

Anti-Static Valved Holding Chamber

AeroChamber Plus *Z STAT**

Anti-Static Valved Holding Chamber

The FLU Season is upon us. Complications from the flu can include serious conditions like pneumonia and hospitalization, putting increased demands on your respiratory care services.

For dose assurance and improved clinical outcomes, recommend the **AeroChamber Plus* Flow-Vu* or AeroChamber Plus* Z STAT* Chamber** for your MDI patients. AeroChamber Plus* Chambers are available through most contracts.

For more information or product demonstration, contact your Trudell Medical Marketing sales representative through customer service: **customerservice@tmml.com**.
